Who is eligible?

Broadly speaking, you are eligible for shared ownership if:

- Your gross annual household income is less than £80,000
- You are not a homeowner (if you are a current shared owner or homeowner, you must have a sale agreed on your current home before reserving one of our new homes)
- You have no outstanding credit problems

How to apply

To make an application, complete the online application form on our website www.crosskeyshomes.co.uk/apply

After we receive your application, we'll contact you with details about what to do next. You will need to talk to one of our approved mortgage brokers. This will allow us to confirm the size of the share you can purchase and give you an idea of the costs involved.

Talk to us

We're here to support you every step of the way. If you have any questions, please don't hesitate to reach out. You can fill in our enquiry form or email the sales inbox and we'll respond within two working days. Alternatively, you can start a live chat on our website or give us a call, Monday to Friday, from 9am to 5pm.

For application enquiries, please contact Meghann on 01733 396 440.

What is the process?

1. Finding a home

You want to get your foot on the property ladder but you're not sure where to start. View our available and upcoming shared ownership homes on our website www.crosskeyshomes.co.uk/buy

Our friendly Sales team are here to help you with any questions you may have about our homes for sale.

2. Assessment

Once you have found a home you are interested in please apply on our website at www.crosskeyshomes.co.uk/apply. After we receive your application, we'll contact you with details about what to do next. You will need to talk to one of our approved mortgage brokers.

This will allow us to confirm the size of the share you can purchase and give you an idea of the costs involved.

3. Obtaining a Decision in Principle (DiP)

As part of the financial assessment, the mortgage broker will then obtain a Decision in Principle from a mortgage lender on your behalf.

4. Anti money laundering check (AML)

Before we are able to offer you a home, we will need to complete an AML check. The list of documents required for this will be attached to the email we send to you confirming we have received your application.

5. Reserve your property

Once our AML check is complete, we will offer you a property to reserve. You will complete our reservation form and pay a £500 reservation fee.

6. Issue the Memorandum of Sale

We will issue a Memorandum of Sale to all parties involved, this is when you will then formally instruct your solicitor and apply for your mortgage (if applicable).

7. Draft Contracts issued and searches

Our solicitors will issue Draft Contracts to your solicitor. Your solicitors will review this information and order searches. These provide information about the area the property is in and the property itself you are buying. Once searches are received, they will raise enquiries on your behalf.

8. Mortgage offer and approval

Once your mortgage application has been received by the lender, they will carry out a valuation on your new home prior to offering the mortgage. We will receive a copy of your mortgage offer which we will check and approve.

9. Exchange of contracts

Once the legal searches are back, enquiries are satisfied and your mortgage offer has been received, you will then be in a approved position to exchange contracts.

9. Completion

Upon exchange of contracts (subject to build completion) a completion date will be agreed, which is the day you will receive the keys to your new home.
