HOUSE SIZE: 262m²

LAND SIZE: 600m²

Located in the village of Vamos, this stone-built house offers a comfortable living experience close to all local amenities.

The property covers 262m² on a 600m² plot and is situated in a quiet neighborhood.

The house includes five spacious bedrooms, each with its own bathroom, ensuring convenience and privacy for all residents. It also features a large private swimming pool and a well-designed outdoor area, ideal for relaxation or hosting.

With beautiful views of the surrounding mountains, this home provides a peaceful setting while being close to everything the village has to offer.

THE AREA

Vamos is effectively the 'capital' of the Apokoronas area.

Here there is the 'town hall' for the Vamos Municipality, Post Office, Bank, cash machine, a large medical centre, the court and the high school for the region. There are about 800 permanent residents.

Vamos may well be the place for you to stay or live if you prefer to be a little away from the beach and more touristy resorts but still close to excellent facilities with great views.

In addition, you will be at the centre of many villages (Kefalas and Litsarda are very close) with their attractions and amenities whilst still only minutes away from the beaches at Almyrida, Kalyves and Giorgioupolis.
