A unique opportunity to acquire a property with potential for extension or possible re-development site, both subject to planning. The home has been in the same family for over 70 years! and would benefit from modernisation throughout and is offered to market with no onward chain.

The property is located on the Leatherhead Road within close proximity of Chessington World of Adventures and offers many possibilities such as a bed & breakfast, guest house, air bnb or conversion to flats. Alternatively the property could be extended across the rear and a two storey side extension to

provide a sizeable family home or separate annex for multi-generational living.

In our opinion the home itself is in liveable condition and the ground floor accommodation comprises; hallway, cloakroom, lounge, separate dining room, kitchen with utility area, downstairs bedroom or 2nd reception room. Upstairs there are three bedrooms and family bathroom.

Outside there is private driveway and a level rear garden with various outhouses and gated side access.

Please note The above information is for general guidance only and you should seek independent legal and planning advice regarding viability for any works

that you wish to carry out.

Only non-conditional offers will be considered.

Chessington is nestled in Surrey between Epsom, Surbiton and Kingston Upon Thames. The transport links from this location are excellent and buses run regularly to Epsom and Kingston via Surbiton. Trains from Chessington North station are every thirty minutes to London Waterloo via Wimbledon and Clapham Junction.

Tenure - Freehold.
