With incredible attention to detail and truly impressive open plan accommodation totalling 2289 Sq Ft, this stunning detached family home has been the subject of one of the most comprehensive refurbishment programs that we have ever had the pleasure to represent on the Nonsuch Estate.

Having been sympathetically extended to greatly increase the original accommodation size, the level of finish is meticulous, and the clever design is highlighted by stylish design touches and huge amounts of natural light throughout the entire house.

As soon as you step into the stunning open plan layout, the incredible feel and flow of the property is immediately evident.

In our view this fine property provides the ultimate layout for a contemporary and practical family home that benefits from great school catchment and easy access of Ewell East railway station as well as the open spaces of Nonsuch Park on your doorstep.

Immediate internal viewing is essential to fully appreciate why we feel this house is so special. Sole agent.

The property enjoys an excellent position in this highly regarded cul de sac and from a practical sense provides wonderful reception spaces. The stunning 36ft main reception room links to the kitchen/breakfast room and provides the most amazing entertaining space. The wonderful kitchen is complemented by quartz worktops and high-quality appliances. The ground floor accommodation is completed by a second bay fronted reception room and a downstairs cloakroom.

The impressive accommodation doesn't end here, from the entrance hall stairs lead to the first floor.

The first-floor landing gives access to some of the most well-proportioned bedrooms we have seen in a long time. The main bedroom benefits from a luxury ensuite shower room, whilst the second, third and fourth bedrooms are all generous doubles and are served by a large luxurious bathroom. On the top floor the fifth bedroom is a great space within its own right and benefits from a further shower room making it perfect for a teenager or au-pair accommodation. Further noteworthy points include EV charger, large driveway and fully enclosed rear garden.

The highly desirable Ewell Village has a rich background dating back to the

Bronze age and at the end of the middle ages King Henry VIII established Nonsuch Palace (now Nonsuch Park) in 1538.

In the heart of the village lies the picturesque Hogsmill river leading up to the nature reserve. There are a range of popular local schools and of course both Ewell East and West stations (zone 6) offer easy access to London with Waterloo and Victoria taking approximately 40 minutes.
