An opportunity to acquire a substantial chalet bungalow offering an impressive 2495 sq ft of versatile accommodation sat on a secluded and level position accessed via a private driveway with a detached double garage, workshop and outhouse/office located at the end of a sought after cul-de-sac.

This fantastic chalet bungalow is deceptively spacious and an internal viewing is advised to fully appreciate what this wonderful property has to offer. You approach the property via a detached double garage providing secure off road parking and there is a wooden gate which leads you through a well established front garden with a pathway to the front entrance and rear garden.

The property itself enjoys an incredibly well balanced layout alongside further potential to extend STPP if desired. So, when you couple the generous space it provides with the numerous stand out features, finding a more impressive home within this location will be a very difficult task indeed.

The property is within the catchment of many fantastic local primary and secondary schools and located within a short walk from village shops on Hook Road and Chessington town centre. Chessington North and South railway stations are both close by.

As soon as you step into the welcoming entrance hall the wonderful feel of this house is immediately evident and provides the best first impression. The accommodation flows perfectly and makes the most of the natural light with arguably the star of the show being the kitchen/breakfast room which our clients have created by re-defining the original footprint to create a large bright space with high ceilings which is perfect for entertaining and day to day life.

There is a wonderful living room to the front of the property which is a super size within its own right and this space links directly to the front garden. From a practical sense there is a downstairs bathroom and there are three ground floor bedrooms which can also be used as receptions, perfect for large families requiring versatile living space.

Another outstanding feature is the huge master bedroom which occupies the entire first floor with a large double glazed arched window with matching door leading to a terrace balcony which overlooks the beautiful rear garden and the perfect spot to enjoy a morning coffee. Off the bedroom is a modern ensuite bathroom proving a quiet retreat for rest and rejuvenation.

Outside the property also shines with a detached outhouse/office and adjoining workshop and there is a outdoor pergola seating area with paved terrace perfect for relaxing with the family and entertaining guests.

Chessington is nestled in Surrey between Epsom, Surbiton and Kingston Upon Thames. The transport links from this location are excellent and buses run regularly to Epsom and Kingston via Surbiton. Trains from Chessington North station are every thirty minutes to London Waterloo via Wimbledon and Clapham Junction.

Don't miss the opportunity to make this house your home! With its characterful features, convenient location, and ample living space, this property is sure to capture your heart. Contact us today.
