There is a real attention to detail throughout this home, with our clients choosing stylish design touches that provide an enviable ground floor living space which is perfect for entertaining, social occasions and most importantly, day to day family life.

Blending traditional charm with a contemporary yet practical layout, the accommodation is bright and spacious being laid out over two floors. However, for buyers looking for longevity within a home, there is further potential and scope for a significant loft conversion and rear kitchen extension, which many of these homes have undertaken, subject to planning permissions being obtained.

Our vendors are offering the property for sale with no onward

chain, meaning a swifter than usual move could be facilitated.

The enclosed entrance porch and welcoming entrance hall links to the living room which provides a warm, cosy yet spacious feel with a large bay window fitted with venetian blinds, helping to create a fantastic first impression. The rear reception room is a perfect family space or a formal dining room and is located next to what is definitely the heart of this home. The stylish kitchen is fitted with matching range of floor and wall mounted units with a door linking to the rear garden.

Upstairs there are three nicely proportioned bedrooms all with matching double glazed windows, a modern family bathroom and a sizable loft space.

Outside, the property also shines with a great sized south west facing rear garden which provides a good amount of space for the kids to let off steam with handy storage shed to rear and a driveway to the front.

Worcester Park offers a large choice of amenities including a Waitrose, banks/building societies and other essential stores, as well as a variety of restaurants, Worcester Park also offers great access to public transport. Kingston which offers a more comprehensive range of shopping is just a short drive away.

The property is within walking distance of both Stoneleigh and Worcester Park mainline rail stations with regular services to London and both the M25 and A3 are easily accessible, giving a straight forward route to London and both Heathrow and Gatwick international airports, making this property ideal for a commuter too.
