# Lamberts Lane Stables Lamberts Lane, Congleton CW12 4EP

This newly constructed eco home, built in 2022, is set within 8.17 acres of ground surrounded by open countryside and spectacular views, all within a tucked away location which is surprisingly close to Congleton Town. The Property is accessible via a single-track road over the Macclesfield canal, which is the sole access for the property and one other dwelling and stables. The approach is private with a lovely outlook as you arrive at the main house with its gated sweeping driveway providing plentiful parking.

This individual home has been constructed with an impressive contemporary design which is a contrast to your usual style equestrian property. There is a stable block with housing for up to four horses with the possibility to apply for more stables, if required and subject to obtaining approval. Planning permission has been granted for the livery yard and menage, which is a fantastic opportunity for those looking for a business opportunity.
