MARLBOROUGH ROAD, W4

This property is uniquely designed with a double fronted façade and boasts two linked reception rooms, a large kitchen diner, a large garden, five double bedrooms and four bathrooms. The house has retained period features which have been enhanced to add character, charm and an outstanding ambience.

As you enter under an ornate masonry pointed arch, you are greeted by an attractive hallway punctuated with period features leading onto an ornate feature staircase. To your right, there are two inviting reception rooms both enjoying large windows to flood the rooms with light, the larger of the two rooms enjoys dual aspect with a window to the front and French doors to the garden at the rear. Both rooms have period features such as fireplaces, cornicing and stunning ceiling murals. The kitchen dining area to the rear is enormous and full of light, perfect for entertaining. The kitchen and conservatory have been designed with the inspiration of the property's feature arches.

The large garden provides a delightful and secluded outdoor space. It is unusually wide for a home in Chiswick allowing for children and summer gatherings to have plenty of space. The property also includes parking for one vehicle, a valuable asset in the area.

Marlborough Road is superbly located on a quiet street that is also close to local amenities and transport stations. Walkable stations include Chiswick Park, District Line (Ealing), and Gunnersbury, District Line (Richmond) and Overground Line. The shops of Chiswick High Road are a stone throw away and local schools such as Belmont and Heathfield House are very nearby.
