PROPERTY DESCRIPTION

Millerson Estate Agents are delighted to present this spacious three/four-bedroom detached home, offered to the market with no onward chain. Situated in the heart of St Austell town centre, this property offers the perfect blend of period charm and contemporary living, all within walking distance of shops, schools, and excellent transport links, an ideal choice for families or those seeking a versatile live-work space.

Upon entering a tiled entrance porch leads into a welcoming hallway, where an elegant oak staircase immediately sets the tone for the high-quality finishes found throughout. The ground floor is exceptionally versatile and thoughtfully laid out, offering a range of comfortable and functional living spaces. At the front, a study/entertainment room is fitted with modern spotlights and an integrated speaker system, making it perfect as a home office, media room, or even a guest bedroom.

The beautifully appointed kitchen is the true heart of the home, featuring a range of integrated appliances, ample storage, and stylish cabinetry. It opens seamlessly into a warm and character-filled dining area, where a wood-burning stove is nestled within a striking stone fireplace. Oak flooring adds warmth and sophistication and sliding oak doors lead through to a cosy lounge, complete with a flame-effect gas fire, creating the perfect space to relax and unwind.

Additional highlights on the ground floor include a separate utility room, a tastefully tiled wet room, and convenient direct access to the garden, offering fantastic practicality for busy family life.

Upstairs, the property continues to shine, with three well-proportioned bedrooms that are bright and inviting, as well as a modern and well-appointed family bathroom. A real bonus is the converted attic space, currently used as an additional bedroom. With excellent headroom, multiple Velux windows, and built-in eaves storage, this space offers huge flexibility, whether as a guest room, home office, creative studio or teenage retreat.

Outside, the home is equally impressive. Wooden gates open to reveal gated off-road parking, a rarity in such a central location. The generous outside space includes several sheds, workshops, and a substantial timber outbuilding, all offering excellent storage or exciting potential for conversion, subject to the relevant consents. There's also a side area that could easily be transformed into a patio or decked terrace, ideal for outdoor dining, entertaining, or simply enjoying the sun.

The property is fully connected to mains gas, water, electricity and drainage, and falls within Council Tax Band D.

Viewings are highly recommended to appreciate all this home has to offer.
