LOCATION

The rural village of Roche enjoys a wide range of local amenities including a primary school, public house, church, convenience stores, post office and pharmacy and is only a short drive from St Austell. Roche gets its name from a twenty metre high granite outcrop to the east of the village where the ruins of a former chapel can still be found at the summit. There is excellent access to the surrounding areas including the A30 and the town of St Austell which offers a comprehensive range of shops, entertainment and sporting facilities including a leisure centre and bowling alley.
