Charming Two/Three Bedroom Home with Wrap Around Garden – Brockenhurst, New Forest

Set in the heart of the New Forest, just a short stroll from Brockenhurst village, this delightful two/three bedroom home offers versatile living and wonderful potential.

Inside, the property features a welcoming living space and a modern kitchen opening onto the garden. Originally three bedrooms, the layout has been cleverly adapted to create two double bedrooms, with the third bedroom transformed into a walk in wardrobe and en suite. For those wishing to add further space, there is scope to extend (STPP).

Outside, the home boasts a large patio area perfect for entertaining and al fresco dining as well as a wrap around garden that provides both privacy and charm. A garage adds further practicality.

With its combination of character, flexibility, and prime location close to village amenities, this home is a rare opportunity in one of the most desirable parts of the New Forest.
