MODERN LIVING IN PICTURESQUE SURROUNDINGS

Introducing Beaufort Gardens, a stunning new development of 114 thoughtfully designed homes in the heart of Market Deeping, a picturesque market town in South Lincolnshire.

This exciting development by Allison Homes offers a range of two, three, and four-bedroom homes, each crafted with quality and care to suit modern lifestyles while maintaining the charm of its historic surroundings.

Market Deeping's characterful town centre is just minutes from your doorstep. Here, you'll find a range of local shops, including independent boutiques and a Tesco Superstore for your daily needs.

Dining out is a treat, with options like The Deeping Stage for traditional pub meals and Linford's, an award-winning fish and chip shop. Essential services such as a GP surgery, pharmacy and post office are also within easy reach for complete convenience.

For everything else, the city of Peterborough can be reached in as little as 20 minutes by road and offers a huge range of shopping, leisure and entertainment.

Leisure opportunities closer to home can be found in abundance. The Deepings Lakes Nature Reserve is perfect for those who love the outdoors, offering tranquil walking trails and birdwatching. For family fun, the John Eve Field features a children's play area and a BMX track, plus it hosts a variety of community events that make a fantastic day out.

Sports enthusiasts can join local clubs, including Deepings Rugby Club or Deeping Rangers Football Club. Meanwhile, Empire Gym and Spinroom Studio provide fitness facilities on your doorstep and there is a choice of swimming pools within a 20-minute drive. If you're looking for a bit more excitement, there is a wide range of water sports on offer at Tallington Lakes, including water skiing, wakeboarding and open water swimming.

“Come and experience the welcoming community that Market Deeping is known for.”

Families moving to Market Deeping will appreciate the area's excellent educational options. Local primary schools, including William Hildyard Church of England Primary and Nursery School and Market Deeping Community Primary School, are located within walking distance. For older children, The Deepings School offers comprehensive secondary education and sixth form that can be reached in five minutes by car.

Early years children are catered for with a number of nurseries and preschools within a five-minute drive, while at the opposite end of the spectrum, there are many options for tertiary education in the nearby city of Peterborough.

Commuting and travel are made easy from Market Deeping. The town is conveniently located near the A15, A16 and A1(M), providing quick access to nearby towns and cities such as Peterborough.

From Peterborough station, direct train services connect you to London, Cambridge and Leeds in 48 minutes, 55 minutes and 90 minutes, respectively.

ALL ABOUT THE QUALITY

Synonymous with the quality of design and craftsmanship associated with all Allison Homes developments, all the houses at Beaufort Gardens benefit from a high standard specification.

This includes contemporary kitchens with steel splashbacks, integrated appliances (on selected homes), a ceramic or induction hob and chimney-style extractors.

In all homes the bathrooms and en suites feature white Roca sanitaryware. To help reduce energy bills, all homes feature an energy efficient air source heat pump and thermostatic radiator valves to all habitable rooms. Low energy LED down lights to the kitchen, bathroom and en suite also come as standard.

“We know we are not just building houses, we are creating the most important spaces in people’s lives that our customers will love to live in now and throughout the years ahead.”

“Each home at Beaufort Gardens has been designed to maximise light and space and, according to location, comes equipped with PV (solar) panels and a 7Kw EV Charger.”
