Massive Development Opportunity – 3 Bedroom Home with Large Garden

A rare chance to secure a substantial property offering huge potential for renovation or redevelopment (subject to planning). This 3-bedroom home, with 1 bathroom and 2 WCs, sits on a generous plot with an expansive garden – perfect for extension, landscaping, or even a complete transformation.

The property itself has not been modernised, providing a blank canvas for those looking to add value. With its size, layout, and outdoor space, this house is an ideal project for developers wanting to add a dwelling, investors, or ambitious homeowners eager to create their dream residence.
