*I love how this home feels the moment you walk in. It's immaculately presented, easy to live in, and perfectly laid out for modern life. The extra bathroom make a real difference day to day, the garden is ideal for relaxing or entertaining, and the off-road parking is such a rare bonus in this area.*

*We've truly loved living in this home. It's been a warm, comfortable place that's easy to enjoy and perfect for everyday life. The layout works so well for us, the extra bathrooms have been a real bonus, and we've spent many happy moments relaxing and entertaining in the garden. The off-road parking has also been incredibly convenient. It's only because we've now outgrown the space that we're moving on, and it will be a shame to leave a home and location we've loved so much.*
