9 Crafted-Quality Villas

MR. THIERRY CHAUSSE PROJECT DESIGNER

Meet Mr. Thierry Chausse, a seasoned project manager and entrepreneur with 35 years in Asia. Renowned for his creativity and design prowess, Thierry specializes in turning living spaces into stunning masterpieces. With expertise in interior design and landscaping, he carefully curates materials, furniture, and plants for a luxurious and harmonious living experience. At Alinda Villas, Thierry is committed to creating your dream home, blending beauty with functional space.

MS. AUTCHARAWAN (GAY) PRATUMWAN LEGAL COUNCIL

Meet Ms. Autcharawan (Gay) Pratumwan, our Project Legal Counsel. Understanding the potential frustrations when purchasing property abroad, Gay has worked tirelessly to establish legal frameworks specifically designed for those interested in purchasing Alinda Villas. As the founder of a successful AP & Co International Law Firm in Phuket, Gay offers ownership solutions and guarantees every homebuyer a smooth transaction and peace of mind throughout their purchase of Alinda Villas.

Beyond her legal expertise, she drives Island Technology Co., Ltd. and Smarter Energy Solution Co., Ltd., aiming to enhance communicative systems and manage energy for better living standards. With Gay's support, Alinda Villas offers worry-free legal solutions and cutting-edge housing tech.

MR. SAMUEL GANDOSSI PROJECT MANAGEMENT

With a civil engineering background and an MBA from France, Mr. Samuel Gandossi brings 25+ years of experience in global construction. He's managed diverse projects in Canada, Qatar, Malaysia, Singapore and India, from high-rise apartments to sports stadiums.

As the founder of 'Smarter Energy Solution Co., Ltd.,' a Thailand-based renewable energy company, Mr. Samuel specializes in high-quality constructions, material and appliance selections. His expertise ensures that Alinda Villas will deliver unparalleled quality and craftsmanship.
