Deena Aranci of Aranci & Firth is delighted to present High Tore, a truly exceptional five-bedroom family home nestled in the heart of beautiful countryside, approximately midway between Rafford and Pluscarden at the top of the scenic Pluscarden Valley. Offering around one acre of private grounds, this impressive residence combines space, natural light, and refined design to create a home of real distinction.

Set over two floors, the property offers a superb flow and balance between family living and entertaining space. The welcoming entrance hallway is bright and airy, featuring a woodburning stove shared with the generous triple-aspect lounge, which enjoys garden views and patio doors to the outdoors. To the opposite side, the stunning kitchen/dining/family area is the true heart of the home—an expansive, light-filled space with floor-to-ceiling windows and sliding doors running the full southern aspect. The bespoke kitchen features painted solid oak cabinetry, granite worktops, a large island, and a woodburning stove, creating a warm and sociable environment perfect for gatherings.

A home office, utility room, store, integral garage, and stylish shower room complete the well-planned ground floor. Underfloor heating throughout enhances comfort and energy efficiency.

Upstairs, the galleried landing with Velux windows adds to the home's airy atmosphere and leads to five double bedrooms, two of which benefit from balcony windows, including a luxurious master suite with walk-in wardrobe and en-suite bathroom. Two further bedrooms share a contemporary Jack-and-Jill shower room, while an additional family bathroom ensures excellent practicality for larger households.

Externally, High Tore enjoys beautifully maintained garden grounds extending to approximately one acre, offering privacy, open views, and ample space for relaxation and outdoor entertaining. A truly remarkable country home combining modern comfort with timeless rural charm.
