54 Willesden Avenue Peterborough PE4 6EB

Offers in excess of £180,000

This extended three-bedroom terraced home is located in the sought-after area of Walton and is offered to the market with no forward chain, making it an ideal opportunity for first-time buyers, families, or investors.

The ground floor comprises a small entrance hall leading into a spacious lounge, a fitted kitchen, a separate WC, and a generously sized four-piece family bathroom. Upstairs, the first floor offers two double bedrooms and one single bedroom, providing flexible accommodation for a range of needs.

Outside, the rear garden is enclosed by a brick wall and is mainly laid to lawn with a patio area perfect for outdoor seating or entertaining. The property also benefits from vehicular access to the rear, with potential for off-road parking.

Situated close to local amenities, schools, and transport links, this well-located property offers excellent potential and is ready for someone to make it their own.
