Crester House, Old Werrington Village, PE4 6ZB

Imposing New Build Executive Four Bedroom Detached Home | Built in 2025 to a Bespoke Specification | Private Road | Conservation Area

****GUIDE PRICE £800,000 - £850,000**** Tucked away off a private road in the historic conservation area of Old Werrington Village, Crester House is a one-of-a-kind, architectural designed four-bedroom executive home completed in 2025 - offering a rare combination of modern luxury, energy efficiency, and timeless character.

On the ground floor, you're welcomed by a spacious entrance hall leading to a generous 23'9" x 13'9" lounge - ideal for relaxing or entertaining. A separate study provides a quiet, dedicated home office, perfect for remote working, studying, or creative use. The expansive 34'4" x 15'9" open-plan kitchen, dining and family room is the true heart of the home. Flooded with natural light from both bi-folding doors and a large roof light, this space is perfectly designed for modern family living and an indoor-outdoor entertaining lifestyle.

The bespoke kitchen is fitted to an exceptional high standard with integrated appliances including a single oven, combination oven with microwave, 80cm induction hob with integral extraction, a separate full height fridge and full height freezer, dishwasher, and wine cooler. Corian worktops house a one-and-a-half moulded sink with a Quooker hot water Fusion Tap, complemented by sleek glass splash backs and ambient LED feature lighting.

Underfloor heating runs throughout the ground floor, individually controlled by zone, and finished with elegant LVT flooring. All of the internal doors in the property are crafted from oak, adding a rich, natural warmth to the contemporary interior.

Upstairs offers four spacious double bedrooms, two of which benefit from modern en-suite shower rooms. The impressive master suite also includes a private dressing area, creating a luxurious and functional retreat. A stunning fully tiled family 4 piece bathroom with a freestanding bath completes the accommodation.

Externally, the property continues to impress with a double garage featuring an electric-operated sectional door and a resin driveway providing off-road parking for several vehicles. The enclosed, wrap-around garden is beautifully landscaped with porcelain paving, a lawned area, and mature trees that offer both tranquillity and privacy.

This home is not only stylish but smart - with an Energy Performance Certificate rating of B, powered by a Mitsubishi air source heat pump for low-cost, eco-friendly heating. A 10-year structural warranty provides peace of mind for the years to come.

Crester House is just a short walk from local amenities including a convenience store and post office at the village green, and sits within easy reach of excellent local schools. The scenic walks and green spaces around Werrington Lakes are just minutes away, offering a truly idyllic lifestyle setting. It also benefits from strong transport links - with easy access to Peterborough City Centre and mainline rail services, placing London under an hour away by train.

Viewings are now being arranged - don't miss your chance to experience the exceptional quality, comfort, and location that Crester House offers. Schedule your visit today.
