Property description

[The Pombaline Apartments](#) are the soul of PRIORE XXI — a perfect harmony between classic charm and modern elegance. Restored frescoes, traditional azulejos, and vaulted ceilings celebrate Lisbon's craftsmanship, while carefully integrated contemporary finishes bring a fresh sense of refinement.

With generous layouts, natural light, and elegant interiors, these apartments are ideal for those seeking spacious family living in the heart of the city. Each home offers a sense of timelessness — where heritage architecture meets everyday comfort.

Additional Features

Restored Pombaline building preserving original 18th-century elements such as azulejos, frescoes, arches, and vaulted ceilings.

Spacious and elegant layouts featuring high ceilings, restored details, and premium finishes that combine tradition with modern sophistication.

Designed for family living with generous living areas, natural light, and comfortable flow between social and private spaces.

Select units offer balconies or views of the surrounding historic streets, bringing Lisbon's charm into everyday life.

Equipped with modern insulation, energy-efficient systems, and high-quality materials ensuring year-round comfort.

Each apartment is unique — a contemporary masterpiece within a piece of Lisbon's living history
