The Manse, 49 High Street

Olney MK46 4EB

A substantial five bedroom town house located in the ever popular High Street of Olney which was formerly The Manse to the church on the opposite side of the road. The property has a West facing walled garden to the rear at the end of which is a detached three bedroom annex dwelling offering the ideal opportunity to meet the requirements of multi generational living.

The Manse itself is generously proportioned throughout, high ceilings, which are generally associated with this era of build, being much in evidence. Similarly the reception rooms are of considerable dimensions emphasising the important role the property formerly played in the community. The property provides an impressive mix of family living and entertainment spaces.

The Manse - Property walk through

The main entrance door opens into a small porch with Victorian tiling. A further door opens into a spacious reception room. In part the Victorian tiling extends into this room and there is an impressive brick fireplace. A stone staircase descends from this room to the cellar which has restricted headroom. The sitting room is located adjacent to the reception room and again has an open fireplace with a side alcove which is shelved. The flooring in this room is in natural wood. The dining room has exposed stonework to one wall with partial glazing and brick definitions. A small pane glazed door opens to the garden. The kitchen/breakfast room and family room combine to create an excellent entertainment space, an original "Range" fireplace has been retained to provide an interesting feature. A woodburning stove is located in the area designated as the family room. A utility room and cloakroom are located alongside. Internal and external access is available to an adjacent storage barn.

A staircase rises to the first floor from the reception room leading to a landing area which accesses the spacious master bedroom with its large en suite bathroom. From this landing there is access to two further bedrooms and a family bathroom. A further staircase rises to the attic where there are two additional bedrooms and a bathroom.

The Annex titled 24 West Street, Olney

On the first floor there are two further bedrooms and a family bathroom. Parking is available to the front of the property.

Gardens and Parking-The Manse & Annex

A large, walled and westerly facing garden stands between the two properties. The garden is of a considerable size, mainly laid to lawn with various mature trees and three recently planted silver birch. Immediately to the rear of The Manse is a courtyard of brick paviours providing patio and seating areas. An outbuilding attached to the main house houses the central heating boiler and serves as a wood store. Immediately to the rear of the Annex is a decking area providing an external seating area.
