WARREN DRIVE HORNCHURCH

£625,000
Asking price

Originally built as a four bedroom property, it has been reconfigured to offer three exceptionally large double bedrooms, making this a three bedroom home on a four bedroom footprint. This thoughtful layout offers generous proportions and flexible living accommodation throughout, with clear potential to reinstate a fourth bedroom if desired.

The home is full of character and retains many original features. It has been lovingly maintained over the decades, remaining clean and tidy, but now offers the ideal canvas for a new owner to modernise and make it their own. A previous extension to the side adds valuable space, and with the correct planning permissions, there is still further scope to extend and add value.

The layout includes two spacious reception rooms, perfect for both entertaining and everyday family life. The kitchen is well-positioned, overlooking the lounge to one side and the utility area to the other, creating a practical and connected flow through the heart of the home. A generous four-piece family bathroom suite enhances the sense of comfort and space.
