

H Together Homes

GUYSFIELD DRIVE RAINHAM

£450,000
Asking price

This spacious family home, located in the heart of Rainham, offers a fantastic opportunity for buyers looking to put their own stamp on a property. While some modernisation is required throughout, key structural improvements have already been completed including a rear extension and a loft room saving time and expense for the next owner.

The home benefits from off street parking for two cars and is entered via a convenient porch leading into a spacious hallway. On the ground floor, you'll find a shower room, ideal for guests or busy mornings.

The larger than average lounge has been opened up into the rear extension, creating a bright and sociable open plan space incorporating the kitchen and dining area. Perfect for family living and entertaining, this space forms the hub of the home.
