"Whether it's been spending cosy nights in with the wood burner in the autumn and winter, or enjoying the garden, our little sanctuary, in the spring and summer, we have absolutely loved living in our house; it's been the perfect home for us and our dog, Doug. It sounds like a cliché, but BS3 really does have everything we need, and you can pick and choose what parts of the area you want to embrace. A dog walk to get coffee and a cake, either from the pop-up van at Victoria Park, or a vegan cinnamon swirl from Bristol Loaf on East Street, is a regular feature of our Saturdays...as are visits to Ashton Court and the Nature Reserve to let Doug stretch his legs properly (run twice before sitting down and waiting to go home)."
