"We've absolutely loved living in our flat — it's been a peaceful retreat in the heart of the city. Our favorite feature is the bay window with its lovely view that makes it feel like we're miles from the city centre. The location is perfect: we can walk to Clifton for a morning coffee or head to Gloucester Road in the evening for live music. What we'll miss most is the welcoming neighborhood — the sense of community here has truly made it feel like home."
