"We have been unbelievably lucky to find a home in such a perfect location. We have loved our quiet early morning walks up to Clifton Village to get coffees at Can't Dance or pastries at The Mall as well as post-work drinks at The Alma or The Lansdown. The whole place has such a community feel, to which we have felt so welcomed. The flat itself has been our haven and holds such special memories for us. From cosy nights in, to BBQ's in the garden. We will be sad to leave here."
