"St Werburghs has a great sense of community and so many nice places right at the end of the road. You have everything you need super close including a fruit and veg shop, butcher, cafes, as well as a lovely park. I have loved living in this house, despite being on the main road it's actually really quiet inside, and it gets so much light. Most of all I have loved spending my time in the garden which is a real sun trap."
