*"It is a great home, in a great area. It has given us everything we need. I love the patio and being able to have a BBQ in the summer. But in the winter its a nice warm cosy house, one where you can have family and friends over to. I really enjoy going for walks in all the parks nearby. The neighbourhood feels really safe for both of us. You also have the gym/pool two minutes' walk from the house. It has a great balance of city living and "escape to the country", with Gloucester Road five minutes away, and the countryside ten minutes drive."*
