2 Bathrooms

"What immediately blew us away about this house were the stunning views of Victoria Park – we rightly thought we'd be in the park all the time, living so close to it. What we could not have known about, however, is how wonderful the community is on St Luke's Crescent, with friendly neighbours all along the street. In the summer, the southwest-facing garden is a proper sun trap, bathed in sunlight from late morning to early evening."
