" Our renovated home is very spacious for an old terrace house, with room for our little family and both of us to work from home. Totterdown has a lovely community — there's a local paper, a family-run greengrocer, bakery, 4 pubs, 3 restaurants, and a wine bar all nearby, Victoria Park is also a stones throw away and The Sundial Kitchen at the bottom of the road does the best brunch in Bristol. It's a really warm, vibrant and colourful place to live. "
