"I've genuinely loved my time in this flat; it's become a real home, full of brilliant memories. Thanks to the pedestrianisation of Cotham Hill, the street is wonderfully quiet, a huge bonus given how central and well connected it is. It's also dangerously close to one of the city's/world's best gelato places! The garden is perfect for a BBQ or even growing tomatoes. Plus, the spare room works as the ideal work space or private room for guests. It has everything you need right on the doorstep."
