"We've loved living in the flat these past 5 years. It's light-filled all day, perfect for working from home, and wonderfully quiet and cosy in the evenings. The location is superb: Greytone and Farro bakery are just around the corner for top-notch coffee, the New Bristol Brewery for a pub quiz, the Artists Residence for dinner, Cabot Circus close by for shopping and we love a run around the Harbour. The parking space is a real plus, being in a gated community, we've always felt secure."
