"Our time living at Wellington Walk has been special. The tree lined street is home to a lovely community with annual street parties, a book club and neighbours who look out for one another. We have enjoyed being so close to both high streets of Henleaze and Westbury on Trym whilst being only a stones throw from Badock's Wood, Henleaze Lake and the allotments off Southmead Road. In the summer, the morning light bathes the rear patio, whilst the evening sun warms the private and secluded patio, creating a sun trap for evening drinks. In winter, the log burner snugly warms the whole house. We have been so lucky to call Wellington Walk our home."
