"Firstly the location, it is in one of the best areas in all of Bristol (in my opinion). It's so close to North Street, but being located at the top of the street, it still feels quiet. Second, I was so surprised by the size and space of the flat, there is a seperate kitchen and living room which you don't often find and the rooms are spacious. Being on the ground floor always felt private - people from the street cannot see in. Rather than a shared garden, it has it's own semi-private patio."
