Property Overview

Set on a generous plot in the sought-after Eden Meadow development, this exceptional five-bedroom detached home is perfect for those wanting effortless living without compromise. Built just seven years ago and kept in excellent condition, it offers a brilliant balance of space, comfort and modern efficiency.

Step inside to a bright and welcoming hallway, with a flexible study (or fifth bedroom) to the front and a separate snug ideal for relaxing or movie nights. The real heart of the home lies to the rear, an extended dining room featuring striking bi-fold doors that open completely onto the south-facing garden. It creates a near-seamless blend between indoor and outdoor living, perfect for hosting in warmer months.

The kitchen is equally impressive, fitted with high-spec Lamont cabinetry and premium appliances including a boiling tap, wine fridge, coffee machine, microwave, double oven, induction hob and integrated dishwasher. A utility room keeps things tidy, and there's also a convenient ground floor WC.

Upstairs, the home continues to deliver... With four generously sized bedrooms. The main bedroom features a fitted dressing room and en-suite, while bedrooms two from their own en-suite. A stylish family bathroom serves bedroom three & four, with every room well-proportioned and none feeling like your traditional box room.

Outside, the garden is a perfect blend of paved and raised lawn, with excellent privacy and sunny orientation. The double garage is a rare bonus, complete with air conditioning, electric doors and space for parking three more cars on the drive. The property is finished with fitted shutters throughout, fibre broadband, and a full water softener and purification system, and the A/C which can provide hot and cold air to key rooms in the house such as the lounge, Dining Room, Kitchen and Master bedroom. Ideal for modern family life.

About The Area
