Proposed Build

A magnificent opportunity to build your own architect-designed home.

The plot is set in an enviable position on the waters edge, with Panoramic views across Poole Harbour from Brownsea Island to Arn.

Positioned within Branksea Avenue in the most peaceful location, the site extends to approximately 266 x 96 ft and benefits from full planning consent for a magnificent new residence of over 13,666 square feet. The approved plans envision a home of outstanding architectural merit and luxurious proportions.

The proposed residence will combine elegant classical styling with contemporary living, offering a seamless blend of spacious grandeur, comfort, and cutting edge amenities. The designs further incorporate lift access to all floors, providing flat level access to all elevations.

The upper ground floor is designed for both family life and entertaining on a grand scale, featuring a spectacular open-plan kitchen and family room, a formal drawing room, dining room, and a private study. Large windows will flood the interiors with natural light while offering views over the harbour and island views.

Upstairs, the first floor will accommodate five generously proportioned en-suite bedrooms, including a stunning principal suite with dressing areas and a private terrace. Each bedroom is designed to offer privacy, comfort, and refined finishes.

The lower ground floor is dedicated to leisure and wellness, with a state-of-the-art indoor and outdoor swimming pool, snooker/games room, a boat store, and

access to the twin integral double garages.

The plot is accessed via an in-and-out driveway, offering an abundance of parking through the underground garages and additional driveway parking.
