'The Granary' is sat behind the electric double gates of a private development and is an exceptional, stone built barn conversion that dates back to 1804. It has spacious accommodation in excess of 2000 sq. ft, with three superb double bedrooms, and a plot of 0.14 of an acre.....a rare home to buy in Milton Keynes.

With green and tree-lined views, this unique and beautiful home has been finished to a very high standard. The owners have used a subtle blend of modern and period finishes that has created a home which is a pleasure to live in, and the owners have loved.
