the rear. There are pretty flower, shrub and tree borders and a wrought iron gate to the rear gardens.

### Planning Permission for Second Dwelling

Planning permission has been approved for a two bedroom house to be built within the grounds. Ref 17/23/00085

### Plot and Location

### Garage/Worktop and Gym

Accessed at the front by an electric roll door with a side access door and UPVC window, garage was built with cavity insulation. This building could easily be converted to an annexe (subject to the relevant planning permissions), water and electricity services already in place. To the rear is a fully insulated room with a UPVC double glazed window and door, which is currently being used as a gym and music room. There is outdoor lighting and a patio area. To the rear of this building is a sheltered and private lean to area which would be perfect for housing bikes and outdoor equipment.
