Printers Brow, Hollingworth, Hyde, SK14 8HU

Standing within a substantial plot with development potential (STP) are a pair of stone, semi detached properties which have undergone a comprehensive refurbishment programme and offer flexible accommodation which could allow for combining the two properties into one substantial dwelling or be retained as two separate homes. We are of the opinion that the property will be attractive to a wide range of prospective purchasers including developers, large families and those looking to utilise the extensive space around the property for their own business purposes. Set within substantial gardens.

The property occupies an off the beaten track position yet still is within easy reach of local amenities in Hollingworth with good access to Glossop, Stalybridge and Hyde with their associated commuter links.

Offers Over £550,000
