COUNTRY

Located within the Dungeness Estate, Dungeness is only one of four areas recognised as High Nature Conservation Value (HNCV) in Kent. In fact Dungeness is the only Grade I star sight in Kent identified by the Nature Conservancy Council and therefore designated as a Site of Special Scientific Interest (SSSI). The area is also popular with artists and photographers and features regularly in numerous Life Style magazines. There are local shopping facilities and amenities catering for most day to day needs in Greatstone and Littlestone as well as several local pubs. New Romney is approximately three miles away offering supermarkets as well as a wider range of shopping facilities. The Channel Tunnel at Folkestone is approximately 16 miles and Dover approximately 26 miles. Mainline railway stations locally are at Appledore and Ham Street both within 9 miles being on the Ashford to Eastbourne line. Ashford International is approximately 13 miles and has the high speed service to London St Pancras in 37minutes. The M20 may also be joined at Ashford with connections to the M25.
