1 Crescent Terrace

Crescent Terrace sits in a fantastic central location with views of Royal Crescent. The house is Grade II listed and has undergone extensive renovation to create a flexible and well-proportioned property over four floors, beautifully maintained by the current owners. The house has over 4,200 sq. ft. of accommodation to include a private garden and floating balcony. Steps lead up to the house alongside wrought iron railings leading into a fabulous reception hall with chequerboard marble floor and a stunning cantilevered staircase. The ground floor features a large double drawing room with two fireplaces, Karndean flooring and detailed cornicing. To the rear of the room is access into a cinema room with built in storage. The ground floor is finished with an office, utility room with shower and a staircase which leads down to the lower ground floor. The lower ground accommodation opens into a fantastic entertaining space with a gym, games room and bi-folding doors opening out onto the private courtyard. The rest of the lower ground features a large kitchen/breakfast room with a central island, Belfast sink and plenty of floor and wall mounted units providing ample storage. There is a fantastic larder and a generous dining room with a feature wood burning stove.

The principal bedroom suite occupies the whole of the first floor with a stunning bedroom featuring triple windows across the front with a wrought iron balcony and fantastic views over Royal Crescent. To the rear of the floor there is a large walk-in dressing room with a central island and door which leads out onto a floating terrace, a perfect tranquil space above the garden. The suite is finished with a spacious bathroom located just off the mezzanine with a rolled top bath and twin showers. Upstairs, the second floor has four bedrooms in total which share a family bathroom on the third floor level. The cantilevered staircase has been beautifully finished and is a fabulous feature to the heart of this property.

The whole house has been lovingly restored with great attention to detail in every room to create a fantastic regency home. All floors have underfloor heating.

Outside, there is a beautifully landscaped rear courtyard garden which is both private and welcoming. There is a mixture of plants adding to the privacy with large flagstones and bi-folding doors leading back into the house. Parking is available privately with a separate lease on Royal Crescent which the current owners use and parking permits can also be obtained via the council.
