The property has been tastefully modernised and is presented in immaculate order throughout. Typical of the age of the house, it enjoys large well-proportioned rooms with high ceilings and a number of period features and fireplaces. Arranged over two floors, the accommodation extends to approximately 3,080 square feet (including the integral garage) and includes three large double bedrooms, one single room and two bath/shower rooms

Upstairs, there is a large and luxurious principal bedroom bedroom complete with an en suite shower room and a dressing area.

The second bedroom has a sink plumbed and wardrobes built in whilst bedrooms three and four both use a large family bathroom.

OUTSIDE

There is an integral double garage accessed via the utility room.

At the front of the house, the driveway and garden is enclosed by a mature hedge and gates that create good privacy as well as lots of parking. To the rear, the gardens have been thoughtfully landscaped to create a beautiful private space with specimen trees providing shade to a seating area that enjoys views across the garden towards the house. A large raised terrace also becomes a perfect entertaining/dining space. There is a pedestrian gate onto the neighbouring lane which gives convenient access for dog walking.

Services: All mains services are connected.

Planning permission: To be sited towards the front of the plot, looking back towards the house, Tewkesbury Borough Council have granted permission (03/05/2022) ref. 21/00216/FUL to erect a single storey workshop with a pitched tile roof and both a garage and pedestrian door. The planning had five years to run from the point it was approved.
