The Property

Old Church Farm house is a striking home with well-proportioned accommodation over three floors. The house was built approximately 20 years ago and has been well-maintained by the current and original owners. The accommodation flows well, most rooms overlook the gardens, and the house is ideal for a family and entertaining. Despite its relatively young age, the property has a great feel and charm.

The central reception hall links all the main reception rooms. With excellent reception room space, there is room for playrooms, media rooms, and even a downstairs bedroom.

The bedroom accommodation is over two floors. The principal bedroom suite has a dressing room, and on the second floor is a second study that could easily become bedroom six or teenagers' games room.

Outside

Approached on a no-through lane, automated gates open to a spacious parking area in front of the double garage. A private lawn to the rear of the house has a fine English Oak tree and outlook over a neighbouring paddock. To the side of the house is an area for a washing line, garden waste, and well-stocked flower beds around the drive.

In all, about 0.38 acre.
