DESCRIPTION / BACKGROUND

A distinctive period farmhouse with a range of holiday cottages converted set around the traditional fold yard. Ideal for an investment buyer looking to create a profitable business within walking distance to Filey and the Beach.

Muston Grange Farm comprises a characterful 18th-century former farmhouse, thoroughly renovated thirty years ago. The farmhouse would likely now benefit from some gentle cosmetic updating and provides a good range of versatile family accommodation over three floors, amounting to almost 3000 ft.² in total.

In brief the accommodation comprises; entrance hall, a pair of front facing reception rooms with open fires, large living room to the rear, dining kitchen with boot room, utility and wet room. On the First Floor are four bedrooms, all of which are doubles and bathroom with separate cloakroom. To the Second Floor is a large master bedroom with a recently refitted bathroom and a further bedroom/dressing room or home office.

The cottages were created around 30 years ago by the current owners, from what was an attractive range of traditional outbuildings. Each cottage was designed to offer an ideal layout of holiday accommodation, with fitted kitchen, dining and living area, a pair of double or twin bedrooms and bathroom. Cottage 1, is a single storey property and was specifically designed with wider doorways and an open Plan design, ideal for those with limited mobility or using a wheelchair. Muston Grange Cottages were run as a successful business until 2021 and are available fully furnished, perfect as a turnkey business.

In all Muston Grange Farm sits within 1.14 acres of mature gardens and grounds, including a substantial range of further buildings; which offers huge scope for further residential conversion; subject to all necessary planning consents.

LOCATION

Muston Grange Farm lies just on the outskirts of Filey town, with the seafront and its famous beaches located only a short walk from the house along the Centenary Way.
