A delightfully situated detached period property which has been reconfigured to create a pair of sizeable apartments, expertly renovated to an excellent standard and beautifully presented with high quality kitchen and bathroom fittings throughout.

4 Cliff Top is a unique property, located only a stone's throw from the centre of the town, but with exceptional sea views, occupying an elevated position which takes in the full sweep of Filey Bay, affording a panoramic view of the sea and coastline. The property is tucked away off Queen Street and benefits from two especially rare commodities for a property so close to the seafront, a lovely private garden and a pair of garages with a further large private parking area. A short flight of steps lead down through Queen's Gardens to the beach.

The property is currently arranged as two self-contained apartments, each one having been comprehensively renovated to an excellent standard within the last few years. They hold huge residential appeal but would also be of interest to those looking for a holiday letting investment for either the whole or part and are offered for sale fully furnished. The accommodation is arranged over two floors which in total amounts to well over 2,300sq.ft. To the ground floor is a superb three-bedroom, three-bathroom apartment, with a large, open-plan kitchen/living space, opening directly onto a delightful garden with direct sea and coastal views and which offers a charming spot from which to take in Filey Bay. The first-floor apartment is similarly well-appointed, with accommodation providing a modern dining kitchen, large double aspect living room with sensational views, up to three double bedrooms, one with en-suite and a main house bathroom.

As part of the renovation works, the property was re-roofed, re-wired, re-plumbed, new windows and doors installed and a complete cosmetic overhaul with replacement kitchens and bathrooms and a tasteful scheme of interior décor.

Filey is a charming town located along the Heritage Coastline approximately 7 miles south of Scarborough. Best known for its award winning 'blue flag' beach and the Crescent Gardens, the town has been a popular seaside destination since its Victorian heyday, but at its heart remains a traditional fishing port. It benefits from a comprehensive range of amenities including schooling, independent shops as well as high street retailers, a wide range of restaurants and Doctors surgery.
