GUIDE PRICE £350,000

A detached single storey property, Dale Side occupies an elevated position within the small hamlet of Houlsyke, only a mile from Danby village. The slight elevation affords it pretty views across the Dale and the south facing elevation assures it has an especially light and airy feel.

The property offers a flexible arrangement of rooms which amount to 890 square feet in all this comprises the following. Entrance porch, modern fitted breakfast kitchen and side hallway with a stable door out to the side garden. Large living room, with a bay window which shows off the lovely views. There are up to three bedrooms, two being good sized doubles and the shower room with modern fixtures and fittings.

Sit on an especially mature plot, Dale Side has lawned grounds, planted with well-established shrubs and flower borders. The garden occupies a lovely, elevated position, so is an ideal spot to take in the views.

There is a substantial garage with parking located slightly away from the property, at the bottom of the garden.

The property is situated in a rural position, close to the village of Danby, in the midst of the unspoilt rolling countryside of the North York Moors National Park. Both Danby and Castleton provide a good range of local services including schools, shops/post office and public houses.

The traditional sea port of Whitby is a fascinating mix of eclectic shops and high-quality restaurants at the centre of the Heritage Coast and surrounded by the glorious scenery of the North York Moors National Park. It has featured in many television dramas and most famously in Bram Stoker's novel Dracula. Whitby is popular for general tourists but in particular with walkers and cyclists.
