Great David's

Great David's is a beautifully designed Edwardian country home offering extensive and flexible family living and entertaining space, with ample accommodation and immaculate grounds. The property is approached from a quiet lane through electric gates opening out to a private gravelled drive up to the house, with a large parking area.

The property was constructed in 1909 and the current owner has had it beautifully designed internally with bespoke Phillip Koomen joinery throughout.

The house has a large reception hall, leading into the drawing room with views over the beautifully kept rose gardens. The main hall flows round to a cloakroom with downstairs WC. The wood panelled dining room is perfect for entertaining with a large fireplace. Adjacent is a cosy snug room leading into the lovely family kitchen designed by Smallbone with French doors out into the gardens and a separate substantial larder.

There are two staircases within the house to the first floor. Ascending the main oak staircase there is an open galleried landing, leading to the principal bedroom with dressing room and bathroom. Followed by five further bedrooms and two bathrooms and a generous sized linen room. There is an impressive study and bathroom on the second floor, as well as attic storage space.
