Details

Mole End is a stunning detached family home with render and weatherboard elevations under a slate roof. The property has been lovingly extended and renovated by the current owners and now offers approaching 3,000 sq feet of accommodation that is beautifully presented throughout. Care and attention to detail has been taken at every step meaning that this beautiful property is perfectly finished in every respect.

The large reception hall also serves as a dining area for more formal occasions with built-in cupboards and display shelves to one side. The large sitting room has a feature fireplace of exposed brick and bi-fold doors opening to the south facing garden terrace. Off the sitting room is a cosy cinema room. Very much the heart of the home is an impressive kitchen/dining room with a range of fitted units arranged around a central island. Integrated appliances include two ovens and a microwave, induction hob with extractor, drinks fridge and two drawer dishwasher. To one side of the central island is bench seating and an area for everyday dining and bi-fold doors open to the garden. This room is spacious with ample room for a seating area in addition to dining and is filled with natural light from a lantern roof light. Further ground floor accommodation is an office with built-in storage and a utility room with storage and a door to the garden.

To the first floor the principal suite comprises a good size bedroom with front aspect overlooking fields, built-in storage and a well appointed bathroom with a walk-in shower and free standing bath. There are three further double bedrooms, one with an en suite shower room and a family bathroom with shower and free standing bath.

Outside

Mole End is accessed via electronically operated contemporary wooden gates with entryphone system. The gates open onto a large gravel drive and parking to the side and front of the house. The front garden is private with mature hedging to all boundaries and is laid to lawn with well planted borders and specimen trees.

A gate to the side opens to a storage area and in turn to the rear garden terrace which is accessed from the sitting room and kitchen/dining room. This raised terrace has porcelain tiles and provides the ideal setting for outdoor entertaining and enjoying the view over the rear garden and stables beyond. Steps lead down to a large landscaped garden, laid to lawn with borders planted with a variety of mature perennial plants, shrubs and trees providing all year round interest. To one side is a screened greenhouse and vegetable plot and beyond is an area of paddock where there is a detached workshop and the stable block. This comprises three stable units and a storage area.

The house sits well within the plot of about 0.7 acre giving it the ideal setting to enjoy the outlook of fields to the front and rear. Private but not isolated, this property has all a family needs to enjoy rural life in a special location and yet close to good communication networks.
