A well presented and attractive detached four bedroom character family home located in this highly sought after village location. Durley is a highly sought after village with its own primary school, church and public houses.

Approximately 2 miles from the historic market town of Bishops Waltham with its variety of shops restaurants and amenities, whilst the cathedral city of Winchester and commercial centre of Southampton with more extensive facilities and amenities are only a short drive away. Motorways and mainline railway stations are also easily accessed.

We understand the property originally dates back to the late 1800's and retains many attractive character features.

The accommodation on the ground floor comprises an attractive storm porch to a welcoming and sizeable reception hall. The sitting room benefits from a double aspect giving plenty of natural light, feature fireplace with a wood stove, the dining room also features a double aspect, fireplace and views over the garden. The kitchen breakfast room boasts a range of integrated appliances that includes a double oven, microwave, fridge freezer and a further separate fridge, dishwasher and washing machine. There is also a study area and cloakroom. On the first floor is the master bedroom and three further bedrooms, all with built in wardrobes. There is also a family bathroom and en-suite bathroom to the master bedroom.

The gardens are mainly laid to lawn and are edged by borders stocked with plants and shrubs. The gardens are enclosed and enjoy the feature of a pretty brick wall which runs the length of one side with a mature hedge on the other side. There is a single garage with power and lighting, parking and storage in the form of two brick built outbuildings.

Viewing is highly recommended.
