ADDITIONAL INFORMATION

We would like to draw your attention to the following:-

Note: LISTED BUILDING IMPORTANT INFORMATION

What Listing means for you:-

- * The whole of the building is protected and specifically includes the inside as well as the outside and all architectural features and structures within the grounds.
- * A Listed building may not be demolished or altered in any way unless you have first obtained LISTED BUILDING CONSENT from Powys County Council. Applications are decided by the Authority's Planning Committee, advised by its officers (and Cadw). Note particularly that among other works, CONSENT may be required for cleaning or painting (or re-painting of the interior or exterior) if this would affect its character.
- * It is a criminal offence to carry out works to a Listed building without Consent. The Local Authority may take action against you and any contractor working for you if unauthorised work is done before consents have been obtained.
- * All grades of Listed buildings are equally protected. The grade simply reflects the importance of the building on a nationally adopted scale. This does not necessarily mean that your building has to be preserved exactly as it is now but alterations and extensions must be carried out in a sympathetic manner using appropriate materials and techniques after due consideration of all the implications. If you are in any doubt about the particular merits of any part of the building it is advisable to discuss this with us.

The Council's Built Heritage Team will be happy to advise you about the full implications of owning a listed building and be pleased to discuss any proposed alterations or other works you would like to do. In some cases grants may be available for certain types of appropriate repair.
