Situated within easy reach of local shops and not far from the seafront, this two bedroom detached bungalow occupies a good size, wide plot and offers excellent scope for improvement.

The property benefits from gas central heating and well-proportioned accommodation, including a separate lounge and dining room, providing flexible living space. While the bungalow would now benefit from a programme of modernisation, it represents an ideal opportunity for buyers looking to personalise a home to their own taste.

Externally, the generous frontage and plot width are notable features, with a garage and further potential for parking, subject to requirements.

A rarely available style of property in this convenient location, offering plenty of potential for the right buyer.

Viewing is recommended to appreciate the plot size and possibilities on offer.
